2. SIGNATURE AND REPRESENTATION: The signature on Bid/Proposal documents is to be that of an authorized representative of said company. Each bidder (individually, "Contractor/Vendor/Bidder"), by making their Bid/Proposal, represents that they have read and understand the Bid/Proposal documents and that these instructions to bidders are a part of the specifications. Further, by signing the Bid/Proposal documents, each bidder acknowledges that Bids/Proposals shall include the delivery of all materials, including but not limited to, all necessary equipment, supplies, tools, accessories, transportation, insurances, warranties, and all other facilities, and the performance of all labor and services necessary for the proper completion of the Work (as defined in this Bid/RFP Package), and that Bids/Proposals shall not include federal excise tax or state sales tax for materials to be incorporated in, or totally consumed in the prosecution of, the Work to be performed. BY SUBMITTING A BID/PROPOSAL, THE BIDDER REPRESENTS TO ROCK VALLEY COLLEGE THAT IT HAS CAFEFULLY REVIEWED THIS BID/RFP PACKAGE, AND IS NOT AWARE OF ANY VAGUE, AMBIGUOUS OR INCONSISTENT TERMS CONTAINED THEREIN.
3. DISQUALIFICATION: RVC's Director of Business Services will make such investigation as is necessary to determine the ability of the Bidder to fulfill Bid/Proposal requirements. RVC reserves the right to reject any Bid/Proposal if it is determined that Contractor/Vendor is not properly qualified to carry out the obligations of the Contract, in which case Contractor/Vendor will be declared non-responsible.

4. ALTERNATE BIDS: An alternate bid shall not be considered unless requested by RVC. An alternate bid does not constitute a counteroffer by Bidder. An alternate bid shall not become a part of the Agreement unless approved by RVC in writing upon award of the bid.

5. NON-CONFORMING BIDS: Contractor/Vendor shall not make any changes to the wording of the bid documents. Any bid submittal that contains or purports to contain changes to the wording of the bid documents or qualifications, terms, conditions, or provisions in addition to or in conflict with this bid package, shall be automatically rejected as non-responsive. Any bid that omits bid pricing for any part or parts of the base bid and/or any alternate shall be automatically rejected as non-responsive. RVC will not allow such changes, alternates, or substitutions unless issued as part of an addendum. Should Contractor/Vendor seek to use any substitution or alternate, Contractor/Vendor shall provide the specifications for said substitution or alternate as a written question in conformance with the requirements for questions as set forth in this Bid/RFP.

6. ACKNOWLEDGEMENT OF ADDENDA: The signature of a company official on original Bid/Proposal document shall be construed as acknowledgement of receipt of any and all addenda pertaining to the specific

Bid/Proposal. Identification by number of the addenda and date issued should be noted on all Bids/Proposal submitted. A copy of any and all Addenda must be included with the Bid/RFP packet.

A. ***FAILURE TO ACKNOWLEDGE RECEIPT OF ADDENDA ON BID SUBMITTED MAY RESULT IN DISQUALIFICATION OF BID.***

B. ***Bidders are responsible for checking back on the Bid website for any addenda issued.***

8. PROPRIETARY INFORMATION: Contractor/Vendor should be aware that the contents of all submitted Bids/ Proposals are subject to public review and will be subject to the *Illinois Freedom of Information Act*. All information submitted with your Bid/Proposal will be considered public information unless Contractor/Vendor identifies all proprietary information in the proposal by clearly marking on the top of each page so considered, "Proprietary Information." The Illinois Attorney General shall make a final determination of what constitutes proprietary information or trade secrets. While RVC will endeavor to maintain all submitted information deemed proprietary within the College, it will not be liable for the release of such information, and the Contractor/Vendor hereby waives and releases any and all such claims.

8. BLACKOUT PERIOD: After RVC has advertised for Bids/RFPs, no Contractor/Vendor shall contact any RVC officer(s) or employee(s) involved in the solicitation process, except for interpretation of Bid/RFP specifications. No Contractor/Vendor shall visit or contact any RVC officers or employees until after the Bids/ RFPs are awarded. During the black-out period, any such visitation, solicitation or sales call by any representative of a prospective Contractor/Vendor in violation of this provision may cause the disqualification of such Contractor/Vendor's submittal; RVC shall have the sole, absolute, and unilateral discretion to disqualify such Contractor/Vendor.

9. FIRM BIDS: All Bids/Proposals shall be considered firm for a period of ninety (90) days from the date established for the opening of Bids/Proposals, as such Bids/Proposals may not be withdrawn during that period without the consent of RVC. RVC reserves the right to accept any Bid/Proposal or to reject any and all Bids/Proposals, or parts of such Bid/Proposal, and/or to waive any informalities or irregularities in bidding.

10. TERMINATION: RVC may terminate this Contract at any time, in whole or in part, with or without cause, upon written notice to Contractor/Vendor. If this Contract is terminated by RVC for cause, including but not limited to Contractor/Vendor's breach of any provision of this Contract, RVC shall have no further obligation to make payments to Contractor/Vendor for work or services completed, and Contractor/Vendor shall be liable to RVC for any increase in cost incurred by RVC in completing the work or services. If this Contract is terminated by RVC for convenience, Contractor/Vendor shall be paid for work or services properly completed prior to termination but shall not be entitled to any other compensation by RVC. Regardless of whether RVC exercises its right of termination, Contractor/Vendor hereby waives any and all claims for lost profits, and for any other consequential or incidental damages.

11. TERMINATION OF FUNDING: RVC's contractual obligations will be subject to termination and cancellation without penalty, accelerated payment, or other recoupment mechanism as provided herein in any fiscal year for which the Illinois General Assembly or other legally applicable funding source fails to make an appropriation to make payments under the terms of this Contract. In the event of termination for lack of appropriation, the Contractor/Vendor shall be paid for the reasonable services performed under this Contract up to the effective date of termination. RVC shall give notice of such termination for funding as soon as practicable after becoming aware of the failure of funding.

12. UNDERSTANDING OF DOCUMENTS: Each Contractor/Vendor shall carefully examine all Bid/RFP documents and all addenda there to and shall thoroughly familiarize themselves with the detailed requirements thereof prior to submitting a Bid/Proposal. Should a Vendor/Contractor find discrepancies or ambiguities in, or omissions from documents, or should they be in doubt as to their meaning, they shall at once notify RVC. If necessary, RVC shall issue a written addendum. RVC will not be responsible for any oral instructions. All inquiries shall be directed in conformance with the requirements for questions as set forth in this Bid/RFP. After Bids/Proposals are received, no allowance will be made for any oversight by Vendor/ Contractor
13. CONTRACT: Upon award of the Contract by RVC's Board of Trustees, Vendor/Contractor shall enter into a contract with RVC in the same form as included in the bid documents and/or incorporating all terms and conditions contained in this bid package, including but not limited to the Standard Instructions and all applicable Minimum Insurance Requirements (the "Contract").

14. INDEMNIFICATION: The Contractor/Vendor agrees to indemnify, hold harmless and defend RVC, the members of the Board of Trustees of RVC, its officers, employees, student teachers, and agents thereof against any and all suits, actions, legal proceedings, claims, and demands of any kind, and against all damages, judgments for personal injuries, including death to any person (including but not limited to third parties, employees of RVC, employees of Contractor/Vendor or any subcontractor or any agent or Contractor/ Vendor and their dependents or personal representatives), loss, cost, expense and attorneys' fees, in any manner caused by, arising from, incidental to, connected with or growing out of the subject matter of and services provided under the Contract and this Bid/RFP. However, nothing in this Contract shall require Contractor/Vendor to indemnify RVC or any other party from RVC's own negligence, and this clause shall be interpreted to be consistent with the Construction Contract Indemnification for Negligence Act. Contractor/ Vendor's duty to indemnify RVC shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for Contractor/Vendor under the Illinois Workers'

Compensation Act. Contractor/Vendor waives any and all rights and releases any and all claims it may have under any worker's compensation act or interpretations of the act, including, but not limited to those rights under *Kotecki v. Cyclops Welding Corporation.*

15. DOCUMENTATION FOR VENDOR RECORD: A current W-9 form must be returned with the bid packet. (*A blank form can be found at the IRS.Gov website.)*

16. VENDOR/CONTRACTOR'S REPRESENTATION: Bids/Proposals are to include the delivery of all materials, including but not limited to all necessary equipment, tools, accessories, transportation, insurance, warranties, and all other facilities, and the performance of all labor and services necessary for the proper completion of the project, except as may be otherwise expressly provided in the Contract Documents. By submitting a Bid/ Proposal, Vendor/ Contractor represents to RVC that it has carefully reviewed this bid package, and is not aware of any vague, ambiguous or inconsistent terms contained therein; further, Contractor/Vendor represents that it has reviewed the project Specifications, the project site and all other relevant information, and that the Contract Documents are complete and able to be performed without modification or alteration.
17. DIGITAL BID SUBMITTAL: Vendors/Contractors are hereby advised that all bids must be submitted electronically through the EUNA/Bid Bonfire procurement portal (the "Portal"). It is the sole responsibility of each bidder to become familiar with and proficient in the use of the Portal prior to submission. Vendors/ Contractors must create and maintain an active vendor account in accordance with the Portal's registration procedures, including providing all required organizational and contact information. Bidders shall follow all instructions provided within the Portal for uploading and submitting their bids, and must ensure that all required documents, forms, and attachments are fully completed and properly uploaded in the designated sections prior to the submission deadline. Failure to successfully submit a bid through the Portal, or to include all required documentation in the format specified, may result in rejection of the bid as non-responsive. RVC shall not be responsible for any technical issues, user errors, or delays encountered by Vendors/Contractors in the registration or submission process, and bidders are encouraged to allow sufficient time in advance of the deadline to complete all required steps.

18. EQUAL OPPORTUNITY EMPLOYMENT/BUSINESS ENTERPRISE ACT COMPLIANCE: RVC is an Equal Opportunity Employer. In the event of Contractor/Vendor's noncompliance with any provision of this Equal Employment Opportunity Clause, the Illinois Fair Employment Practice Act, or the Fair Employment Practices Commission's Rules and Regulations for Public Contracts, the Contractor/Vendor may be declared non-responsible and therefore ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporation and the Contract may be terminated in whole, or in part, and such other sanctions or penalties may be imposed or remedies invoked as provided by statute or regulation.
    A. It is also RVC's policy to promote the economic development of businesses owned by minorities, females and persons with disabilities by setting aspirational goals to award contracts to businesses owned by minorities, females, and persons with disabilities for certain services as provided by the *Business Enterprise for Minorities, Females and Persons with Disabilities Act*, 30 ILCS 575, (the "Act") and the Business Enterprise Council for Minorities, Females, and Persons with Disabilities.

    C. To register with the State of Illinois as an MBE/WBE/FBE/DBE, please visit this site: https://cei.illinois.gov/vendor-resources/get-bep-certified.html

19. DEFECTIVE EQUIPMENT SERVICES AND GUARANTEES: All work, equipment and services shall be of high quality and free of defect. Contractor/Vendor shall promptly correct any defective work, equipment or services. Payment by RVC for any work, equipment or services later determined to be defective shall not relieve Contractor/Vendor of its obligation to correct the defective work, equipment or services. Contractor/ Vendor hereby represents and warrants that all work, equipment and services are and shall remain free from defect for a two (2) year period following completion of the work and services, and upon notice by RVC, Contractor/Vendor shall promptly replace and/or correct such defects appearing within said two (2) year period. This warranty is in addition to any warranties that may be required by the Contract Documents and by law, and this warranty does not abrogate or nullify any breach of contract claim or other causes of action that RVC may have against Contractor/Vendor.

20. NO DELEGATION OR ASSIGNMENT: Contractor/Vendor shall not assign any right or delegate any duty under this Contract to any third party without RVC's prior written consent which it may withhold in its sole, absolute, and unilateral discretion. Any attempted assignment or delegation without such prior written consent shall be void.
