Q1	Question: Ticket Sales & Car Count Can you please provide historical attendance volumes and car counts, broken down by day of the week (or using last year's dates), to help appropriately allocate staff. Answer: We're providing 2024 and 2025 attendance records. Two things to note: 1. These numbers are tickets sold, we have not kept track of vehicles previously. 2. 2025 numbers were down due to weather conditions. Attachments: WWL Attendance 2024 _ 2025.xlsx	08/25/2026
