Outback Well Improvements - 1WOWI
ITB -US.251301-0-2026/

Scope of Work: The City of Bend requests bids for construction services to upgrade Outback Well No. 3 to increase the pumping capacity. Additionally, Outback Well No. 3 and Outback Well No. 5 are to be pulled to perform a deviation survey, checking for plumbness to inform potential future upgrades. Well No. 5 shall be reconstructed to existing condition after deviation survey, while Well No. 3 shall be reconstructed according to Project Drawings.

Ordering Instructions: This package can be downloaded from DemandStar Corporation on our website at https://www.demandstar.com.
