Filing Reports Form 1295 Certificate of Interested Parties

Electronic Filing Application

Laws & Regulations

Forms & Instructions

Electronic Filing Application

A governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties. If you are the business entity that is completing the form, you are a filer type CERT-BUS. If you are the governmental entity or state agency that received the signed contract and wish to acknowledge it, you are a filer type CERT-GOV.

To use the electronic filing application, you must setup a filer id/account. This filer id is your selected email address. All password tokens are sent to this address. Go to the [Login Page](#) and click on the text that states "Click here if you don't have a user ID" in order to create your filer account.

If you already have a 1295 account, use LOGIN below to access your account.

If you don't remember your password, you can go to the [Login page](#) and click on the "Forgot Password?" text in order to reset your password. Your filer id is your email address. An email will be sent to you with a token that is used to change your password.
