The City of Lawrence is dedicated to fostering the continued development and economic growth of small, racial minority-, veteran-, and women-owned businesses in an equitable and inclusive way. The City of Lawrence desires to remove systemic barriers to reconcile historic injustices and their continued presence in our work. Participation of a diverse group of vendors doing business with the City is central to this effort. To this end, small, racial minority-, veteran-, and women-owned business enterprises are encouraged to participate in the City's procurement processes, including as subcontractors under prime contracts.

Please refer to the project timeline in this document for all important deadlines.

The City reserves the right to accept or reject any and all bids, and all or part of a bid and to waive informalities, technical defects, and minor irregularities in the bids received.
