ADA COMPLIANCE

1. The Contractor shall comply with all applicable provisions of the Americans with Disabilities Act (Public Law 101-336, 42 U.S.C. 12101 et seq.) and applicable Federal regulations under the Act
<https://www.law.cornell.edu/uscode/text/42/12101>.
2. Bids for design, construction, programs, policies and concessions of any type shall comply with the 2010 Standards for Accessible Design, the ADA title II regulation -
<https://www.ada.gov/regs2010/2010ADASTandards/2010ADASTandards.htm>, Section 504 of the 1973 Rehabilitation Act
<https://www.ada.gov/cguide.htm#anchor65610>, and similar statutes and regulations prohibiting discrimination on the basis of disability.
3. The Contractor shall ensure that its websites and all online services, including those websites or online services provided by third parties upon which Cedar Rapids relies to provide services or content, comply with, at minimum, Web Content Accessibility Guidelines - WCAG 2.0 AA.
4. It is the responsibility of the Contractor to understand and implement the Accessible Design specifications indicated above (Article 26.1 and 26.2) into all applicable construction projects, including being aware of and making considerations for expected field or manufacturing tolerances, as stated in article 104.1.1 of the 2010 ADA Standards for Accessible Design. Further, the Contractor shall be responsible to make the construction workers aware of the specifications and tolerances in projects that involve ADA design items. Any subsequent inspection of installations of facilities or construction that results in failure to meet the Accessible Design parameters, these items shall be removed and replaced at the expense of the Contractor.
5. Required Adherence to 2010 ADA Standards for Accessible Design:
All work completed on any City of Cedar Rapids project will require strict adherence to the 2010 ADA Standards for Accessible Design. All aspects of the ADA codes for accessibility compliance will be monitored, audited and will require acceptance from the City of Cedar Rapids' ADA Accessibility Team via field audit, verification and documentation prior to any work being accepted or eligible for payment. Notice should be provided to the ADA Accessibility Team no less than two weeks prior to expected substantial completion so field audits can be scheduled and performed in a timely fashion. Failure to schedule these audits by the Contractor may result in delays in verifications and payment for completed work. Requests for audits should be directed to ADA-Audit-Request@cedar-rapids.org. After the audit is completed, the Contractor shall receive written notification of any failures requiring correction or a letter stating that the project is acceptable, whichever may apply. All ADA compliance work will be audited using a 2' (2 foot long) electronic inclinometer (2' electronic level) only. No other instrument will be an acceptable tool for measurement of slope on a City of Cedar Rapids Construction Project. ADA compliance requirements provide no construction tolerance whatsoever outside of that which is contained within the specification's allowable tolerances. (i.e.: For cross slope in an accessible route, the maximum slope allowed is 2.083% slope. The tolerance in this example is 0-2.083% and nothing more. 2.1% would constitute failure in this scenario.)

Should the Contractor fail to continue to perform its responsibilities regarding all non-disputed work, without delay, any additional costs incurred by the City or the Contractor as a result of such failure to proceed shall be borne by the Contractor. The unintentional delayed payment by the City to the Contractor of one or more invoices not in dispute in accordance with the terms of the Contract will not be cause for Contractor to stop or delay Work.

The Party who is prevented from performing by force majeure shall be obligated, within a period not to exceed fourteen (14) days after the occurrence or detection of any such event, to give notice to the other Party setting forth in reasonable detail the nature thereof and the anticipated extent of the delay, and shall remedy such cause as soon as reasonably possible, as mutually agreed between the Parties.
