

MEMORANDUM – ADDENDUM NO. 3

To: Interested Vendors
From: Roxanne Anderson, Purchasing Analyst
Date: 10/14/2026
Re: RFB2027-09 Heavy Duty 18K Vehicle Shop Lift Per Specifications -- Addendum No. 3 (Total 2 Pages)

The following questions have been received to date. The County's corresponding responses are provided in red.

1. What is the delivery address? Does the facility have a loading dock or forklift available for unloading?

261 Hal Jackson RD. Winder, GA 30680 and Yes.

2. What types of vehicles will the lift service, and what is the maximum wheelbase length? The lift we are considering accommodates up to 220 inches.

Medium to Heavy duty trucks & 220 inches are appropriate.

3. What is the ceiling height to the lowest obstruction, and is there sufficient floor space for a lift measuring 303 3/8" x 152 1/8"?

18 FT. and yes.

4. Is 208–230V single-phase electrical power available at the installation location?

Yes.

5. What are the existing concrete slab thickness and strength (PSI)?

8 Inches.

6. Can you confirm whether two 9,000 lb rolling jacks are required?

Yes, two are required.

7. What is the anticipated deadline for delivery and installation?

January 2027.

8. Please confirm whether a prime bidder may purchase the ALL-certified equipment from an authorized distributor and subcontract installation and ongoing warranty service.

Yes.

9. Please confirm whether the distributor or service contractor must have a location within 100 miles.

Yes.

10. Please confirm the exact insurance and bonding requirements.

There are not any bonding requirements at this time. In regard to the Certificate of Insurance, general liability and workers' compensation coverages are required at \$2 Million Dollar limits.

11. Please confirm any mandatory site inspection.

No site inspections.

12. Please confirm whether all subcontractor/service-provider names must appear with the sealed bid.

Subcontractor / service – provides names do not need to be listed in the bid submission(s).
