Project Details

Project	RDW26075 - PUBLIC WAY CONCRETE REPLACEMENT 2027
Ref. #	RDW26075
Type	ITB
Description	The work to be performed consists of furnishing and installing the equipment, facilities, services, and appurtenances indicated in the Contract Documents. The Work generally includes, but is not limited to concrete flatwork replacement, curb and gutter, drive approaches, and miscellaneous tie-ins to other structures in the public way, including asphaltic tie-ins. Some locations may be repaired by mud jacking, grinding, and/or scarifying. Some locations may require tree and stump removal at the direction of the Resident Project Representative, with the approval of the City's Forester.
Open Date	Oct 30th 2026, 5:00PM MDT
Questions Due Date	Nov 12th 2026, 5:00PM MST
Close Date	Nov 18th 2026, 2:00PM MST
