Project Details

Project	Montgomery County Dept. of Public Safety Emergency Operations Center Carpeting
Ref. #	6627
Type	ITB
Description	The Montgomery County Department of Public Safety (“DPS”) is issuing this Specification (Spec) to solicit a qualified contractor for the purpose of removing existing carpet from the raised floor access panels as well as specified hallways and office areas, and to install new Static Smart carpet on existing tiles in EOC and standard carpet tiles in hallways and roll carpet in media and training areas (see map). This work, without exception, must be done in coordination with operations of the 24-hour Emergency Operations Center.
