The University of Texas System Supply Chain Alliance will publish a Request for Proposal (RFP) UTS/A132 Residence Hall Network Services (RESNET) on November 17, 2026, through The University of Texas MD Anderson Cancer Center's Jaggaer e-Sourcing tool. This RFP is for the selection of one or more Preferred Suppliers to provide managed residential network infrastructure and internet connectivity services for campus residence halls and apartments, including wired and wireless network deployment, 24/7 student technical support, and ongoing equipment maintenance and lifecycle management to Alliance Members and Affiliates. We are very interested in your company's participation and invite you to register as a potential supplier. The RFP is posted for download in Jaggaer and the RFP documents can be found under Settings & Content / Questions.

A pre-proposal conference (virtual via Zoom) is scheduled for November 24, 2026, at 10:00 AM CT. Attendance is not required but is strongly encouraged. Proposers should use the Zoom URL links in the published RFP to register for and attend the pre-proposal conference.

Deadline for submission of proposals, through the Jaggaer e-Sourcing tool (only acceptable submission method) is noted in Jaggaer. Electronic proposal submissions that are partially uploaded into the Jaggaer e-Sourcing tool, as of the deadline, will not be accepted.

By selecting the "Register Now" button below, you will be routed to a secure website to complete the registration process. The link provides a Registration Checklist, Registration FAQs and a Registration Tutorial to help guide you through the process. Upon successful completion of your registration, you will have access to your secure portal where you can add additional details about your organization, invite colleagues to become users in your site, and more. If you have previously registered in Jaggaer, please take this opportunity to ensure that your company's profile is updated with the correct contact information.
