RFP 2026-13 Coonnected Greenways and Multi-Use Paths Q&A Addendum

Last Updated: 12:00 pm, October 9, 2026

1. **Can you confirm whether the proposal due date is December 16? The email, webpage, and other references say December 16; page 4 of the proposal says December 11**

Answer. Proposals are due 12/16. Page 4 of the document has been updated and reposted.

2. **Has the RFP for RFP 2026-13: Connected Greenways and Multi-Use Paths been posted somewhere other than the Doing Business page?**

Answer. The RFP will be posted to AMPO, NARC, LinkedIn. Suggestions are welcome.

3. **How do I receive the link to the pre-submittal webinar?**

Answer. A Microsoft Teams link will be provided prior to 10/27 via the procurement page.

Have Additional Questions?

All inquiries should be directed to writing at rfp@gnrc.org. Answers will be provided in writing and made available to all potential offerors online at [GNRC.org/Procurement](https://www.gnrc.org/Procurement) as an addendum to the solicitation. Any correspondence related to the RFP should refer to the appropriate solicitation number, page number, and paragraph number.

RFQ documents are available online at <https://www.gnrc.org/procurement>
