3.0 CONTRACT TIME

The Bidder agrees, if awarded the Contract, to fully complete this project in not more than **seventy-five (75) calendar days** from the applicable commencement date set forth in the DISTRICT'S written Notice to Proceed.

SPECIAL PROVISION SHEET (continued)

4.0 PERMITS

The CONTRACTOR shall be in possession of the following permits issued to the DISTRICT by various agencies and others. A sample is included with this Special Provision Sheet. The CONTRACTOR shall abide by all the requirements of the permits at no extra cost to the DISTRICT.

- (1) Snohomish County Blanket Permit (five to seven -day activation notice)

5.0 SUPERINTENDENCE AND SUPERVISION

The CONTRACTOR shall, during the progress of this contract, maintain a competent superintendent and any necessary assistants at the worksite. The CONTRACTOR shall inform the DISTRICT in writing of the name, business address and telephone number of such superintendent. The superintendent shall not be changed except with the consent of the DISTRICT, unless the superintendent proves to be unsatisfactory to the CONTRACTOR and ceases to be in the CONTRACTOR'S employ. In such case, the CONTRACTOR shall notify the DISTRICT of the new superintendent. The CONTRACTOR shall, if requested to do so by the DISTRICT, remove any superintendent or assistants whom the DISTRICT determines to be incompetent, dishonest, careless, negligent, uncooperative or unsatisfactory. Failure to comply with such request shall be sufficient grounds for termination of the Contract.

Such superintendent shall be present or represented by a Designee at the site of the work at all times during the progress of the Contract, and shall have authority to make binding and enforceable decisions on behalf of the CONTRACTOR. All requirements, instructions and other communications given to the authorized superintendent by the DISTRICT shall be binding as if given to the CONTRACTOR, and shall be confirmed in writing by the DISTRICT upon the CONTRACTOR'S request.

6.0 REPORT OF ALL ACCIDENTS, PROPERTY DAMAGE AND UNAPPROVED OUTAGES

The CONTRACTOR shall provide the DISTRICT with a formal report of all accidents, property damage and/or unapproved outages that occurred during the course of performing the work under this CONTRACT. The report shall identify what occurred and what appropriate steps have been and will be taken to prevent future occurrence. The CONTRACTOR shall supply the report to the DISTRICT with the AS-BUILT information and the AS-BUILT bid item shall not be paid until the information is delivered to the DISTRICT'S Project Leader.

7.0 TEMPORARY EROSION SEDIMENT CONTROL

The CONTRACTOR shall prepare a Temporary Erosion Sediment Control (TESC) Plan for submittal to the DISTRICT at the Preconstruction Meeting. This plan shall be revised if construction changes or temporary work affect the runoff and/or soil erosion from this site.

8.0 TEMPORARY FIELD OFFICE

The CONTRACTOR shall be required to provide a TEMPORARY FIELD OFFICE BUILDING and all associated items as detailed below, unless otherwise waived by the DISTRICT's Project Leader which is dependent upon taking poles from the DISTRICT's yard.

The CONTRACTOR shall supply the following:

1. The CONTRACTOR shall provide on the site a substantial, watertight field office building having a floor area of at least one hundred and fifty (150) square feet, for joint use of the CONTRACTOR and the DISTRICT, at a location approved by the DISTRICT. Such office building shall have a wood floor raised above the ground, adequate electric lights, drinking water, heat, air conditioning, ventilation, a door with lock, door keys for DISTRICT use and large glazed windows. The CONTRACTOR shall equip the office with the following items for exclusive use by the DISTRICT: a three (3) x six (6) foot plan table, a plan rack capable of hanging two sets of twenty-two (22) inch by thirty-six (36) inch construction drawings, a drafting chair, a (3) x five (5) foot office desk and desk chair, two (2) standard chairs, and one (1) lockable four (4) drawer file cabinet. The CONTRACTOR shall provide janitorial service and provide and maintain two (2) fire extinguishers in convenient locations in the office.
2. The CONTRACTOR shall pay the installation and the monthly service charges for all utilities.
3. The office furnished as described above, with utilities operational, shall be made available to the DISTRICT at least two (2) calendar days before work under this Contract is begun on the site. Any relocation of the field office building shall be at the CONTRACTOR'S expense. The CONTRACTOR shall remove the field office building from the premises upon completion of the work, and at any time prior thereto if so directed by the DISTRICT.

10.0 SMALL WORKS ROSTER INSURANCE

Prior to commencement of the Small Works Roster Contract work, the CONTRACTOR shall furnish the DISTRICT with certificate(s) of insurance evidencing the following minimum insurance limits:

Commercial General Liability: Bodily Injury/Property Damage

- \$2,000,000.00 Each Occurrence

Business Automobile Liability: Bodily Injury/Property Damage

- \$2,000,000.00 Combined Single Limit

Workers Compensation/Employers Liability: Statutory Limits or a minimum of \$1,000,000.00/Per Accident or Disease

Umbrella or Excess Liability Insurance can be purchased to satisfy the above limits.

Snohomish County PUD No. 1 must be shown as the certificate holder and as an additional insured, ***by endorsement***, on the General and Automobile Liability coverages. The policy must include a 30-day cancellation notice provision.

11.0 CONTRACTOR SUBMITTALS

The CONTRACTOR shall submit weekly construction reports throughout the duration of the contract. The CONTRACTOR shall also submit a Safety Site Plan and a Construction Schedule prior to the Notice to Proceed.
